

**Remarks/Arguments**

The applicant provides the following remarks in response to the Restriction Requirement mailed on February 10, 2004.

Within the restriction requirement, the claims stand subject to the following restriction requirement:

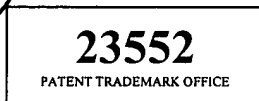

- I. Claims 44-56, drawn to an ambulatory medical **pumping system**, classified in class 604, subclass 67.
- II. Claims 57-72 drawn to an **ambulatory pump with a housing** adapted to receive a reservoir, classified in class 604, subclass 65.
- III. Claims 73-77, drawn to an ambulatory **remote electronic device**, classified in class 128, subclass 903.

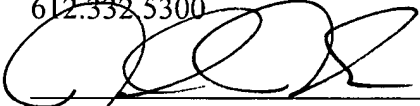

The applicant respectfully traverses this restriction requirement. However, to expedite prosecution of this application, the applicant elects Group I, claims 44-56 for further prosecution at this time. Applicant has canceled Groups II and III, claims 57-72 and 73-77, without prejudice, and reserves the right to further prosecute these claims in a continuation or divisional application.

Please contact the undersigned attorney if there are any questions regarding this application.

Respectfully submitted,
